Those With Drive, Drive a Firestone

Introducing the new FT491 Truck Tire
FT491

- Patented Defense Groove™ & ULTI-Rib™
- Suitable for all-position use
- Designed for single/tandem-axle trailer & dolly applications in long- & regional-haul service
- Fuel-efficient
- Lowest total cost of ownership
- Replaces the FT455 Plus
FT491

- Low rolling resistance
- Lower total cost of ownership
- Meets EPA SmartWay℠ and California Air Resources Board (CARB) requirements
FT491

Wide Footprint:
• Long, smooth wear
• Full-size drive cap, helps extend life of casing

ULTI-Rib Design:
• Combats spread of irregular wear

Stress Relief Sipes:
• Fight irregular wear on main ribs by absorbing rib edge stresses in the footprint
Flow-through Design:
• Allows for water evacuation to enhance road grip

Thirsty Cross-rib Sipes:
• Improve traction by slicing through water for a solid grip on wet roads
FT491

Defense Groove™:
• Combats the initiation and spread of irregular wear

Continuous Shoulder and High Rigidity Tread Pattern:
• Long, even wear
• Reduced rolling resistance by controlling movement of the ribs and blocks during rotation
Sidewall Protector Ribs:
• Help resist curb damage and abrasion

NanoPro-Tech™ Polymer Technology:
• Limits energy loss
Innovative Sidewall Design:
- Reduces tire weight
- Improve fuel efficiency without sacrificing durability
Boost fuel efficiency without sacrificing removal miles

Retreadability extends casing life for a lower cost per mile
